[23:25] <Laurelai> nope
[23:26] <Laurelai> this was all me
[23:26] <BarrettBrown> oh, so you're Asherah, then?
[23:27] <Laurelai> nope
[23:27] <Laurelai> i really am laurelai
[23:27] <Laurelai> formerly of crowdleaks
[23:27] <BarrettBrown> and what did you do, exactly?
[23:31] <BarrettBrown> At any rate, my concern is with Backtrace
[23:32] <BarrettBrown> I have no idea what your role is in anything other that being obsessed with marblecake
[23:32] <BarrettBrown> which I was never involved in
me: not sure what to make of it, I guess show Gregg, may be a clue regarding something
Blue: right now he's waist deep in the anonops drama

me: lol k
me: where?
Blue: I dunno
Blue: somebody from skidsrus took over a bunch of shit
Blue: and then they doxed him
Blue: so he dumped everyone's IPs online
Blue: okay if I forward this to him?
me: go for it
me: yeah, I know about the Anonops things, I have the doc they released with IPs and watched Owen go to new IRC Anonworld to apologize and argue and whatnot
me: [23:36] <BarrettBrown> aren't you ex-military?
[23:37] <Laurelai> read my reddit AMA and you will know all you want to about me
[23:38] <BarrettBrown> link?
[23:38] <Laurelai> http://www.reddit.com/r/IAmA/comments/et1cf/iama_mtf_transgender_who_was_in_the_us_army_for/
[23:39] <BarrettBrown> So, what do you want from me?
[23:40] <Laurelai> from you?
[23:40] <Laurelai> nothing
[23:40] <Laurelai> go away
[23:40] <BarrettBrown> you came here
[23:40] <BarrettBrown> and took over our channel
[23:40] <Laurelai> i want you leaderfags to go away
[23:40] <BarrettBrown> which we use for researching wrondoing by intelligence community
[23:40] <Laurelai> or i wont stop
[23:40] <BarrettBrown> Okay, I'm not going to stop pursuing our operations
[23:40] <BarrettBrown> Did you vandalize our wiki?
[23:40] <Laurelai> no
[23:40] <Laurelai> that was
[23:40] <Laurelai> others
[23:41] <BarrettBrown> Did you know who they were?
[23:41] <Laurelai> no
[23:41] <Laurelai> i know that something would happen today
[23:41] <Laurelai> and planned accodingly
[23:41] <BarrettBrown> Did you do anything else to disrupt our work?
[23:41] <BarrettBrown> Other than taking over our IRC channel?
[23:41] <Laurelai> no, but others did and are
[23:41] <Laurelai> anonops is over
[23:41] <Laurelai> go home
[23:41] <BarrettBrown> Are you willing to tell me who those people are?
[23:42] <BarrettBrown> I know, I don't care about anonops
[23:42] <Laurelai> just go back to a normal life
[23:42] <BarrettBrown> I'm trying to run an important operation

[23:42] <Laurelai> thats my best advice to you
[23:42] <BarrettBrown> I didn't ask for advice, I'm committed to activism
[23:42] <Laurelai> then stop associating with profettering leaderfags
[23:42] <BarrettBrown> Profettering?
[23:43] <BarrettBrown> oh, profiteering
[23:43] <Laurelai> do you have any idea how much money gregg has made off of all of this?
[23:43] <BarrettBrown> No, and I don't care
[23:43] <BarrettBrown> I'm not here to police people
me: [23:43] <BarrettBrown> That's your job
[23:43] <BarrettBrown> My job is to work for fundamental change
[23:44] <Laurelai> and you spend your time harrasingt an innocent woman
[23:44] <Laurelai> instead of trying to help people
[23:44] <BarrettBrown> No, I spend my time helping people
[23:44] <BarrettBrown> I don't harass Emick
[23:44] <Laurelai> yeah like you "helped" jen
[23:44] <BarrettBrown> Jen is Asherah
[23:44] <BarrettBrown> FakeGreggHoush
[23:44] <BarrettBrown> I tricked her into confirming it a week ago
[23:44] <Laurelai> no
[23:44] <Laurelai> lol
[23:45] <BarrettBrown> Would you like to see the logs?
[23:45] <Laurelai> god you are stupid
[23:45] <Laurelai> jen uses debian
[23:45] <Laurelai> Asherah uses fedora
[23:45] <Laurelai> and not only that
[23:45] <Laurelai> if she was Asherah
[23:45] <Laurelai> she would have told me
[23:46] <BarrettBrown> How do you figure?
[23:46] <Laurelai> and she would have asked me to help
[23:46] <Laurelai> cause she knows me
[23:46] <Laurelai> we have worked together
[23:46] <Laurelai> and if she had told me
[23:46] <Laurelai> hey
[23:46] <Laurelai> im taking down marblecake
[23:46] <Laurelai> with this backtrace troll
[23:46] <Laurelai> i probably would have helped
[23:46] <Laurelai> but
[23:46] <Laurelai> she didnt
[23:46] <Laurelai> she said to me
[23:46] <Laurelai> it wasnt her
[23:46] <Laurelai> and i believe her
[23:46] <Laurelai> because she had no reason to lie

[23:47] <BarrettBrown> Unless, of course, she wants to ensure that you don't get mad at her and let people know
[23:47] <Laurelai> i even tried to get her to help me with this
[23:47] <Laurelai> she refused
[23:47] <Laurelai> said she didnt want any more trouble
[23:47] <Laurelai> i brought up other ideas to get at you
[23:47] <Laurelai> and she wouldnt do it
me: 0[23:47] <Laurelai> she said she just wanted to be left alone
[23:47] <BarrettBrown> Bullshit, the real Emick makes legal threats
[23:48] <BarrettBrown> I've seen her twitter
[23:48] <Laurelai> yeah
[23:48] <Laurelai> her legal action
[23:48] <Laurelai> was a restraining order
[23:48] <BarrettBrown> and has posted comments on blogs discussing me
[23:48] <BarrettBrown> claiming that she had no idea who Housh was until recently
[23:48] <BarrettBrown> and then deleted the comment since it was obviously a lie
[23:49] <Laurelai> look, you can live in whatever fantasy world you like, reality is i remember what gregg did and how he operates
[23:49] <Laurelai> and im after him next
[23:49] <BarrettBrown> I know how you operate
[23:49] <Laurelai> you can tell him that
[23:49] <BarrettBrown> You're clearly a nut and not reliable
[23:49] <Laurelai> he wont escape this time
[23:49] <BarrettBrown> Yeah, see, right there
[23:49] <BarrettBrown> That's crazy talk
[23:50] <BarrettBrown> And you seem to have connections to people who attack our work
